

1 consideration of Committee Recommendation R&P-2 promptly.

2 For this reason the Chair requested Delegate
3 an
4 Kiefer to introduce/amendment deleting Section 6. This
5 will not remove the matter from consideration of the
6 Committee of the Whole.

7 You will have the matter before you in substan-
8 tially identical form later today.

9 Delegate Kiefer.

10 DELEGATE KIEFER: Mr. Chairman, has the amend-
11 ment been prepared?

12 THE CHAIRMAN: The amendment is on the way over

13 DELEGATE KIEFER: The amendment is simply to
14 delete Section 6 from R&P-2. As you know, there are
15 technical matters to be covered here. This is a matter
16 that is being worked on and I would therefore recommend
17 to you that it be, that the amendment be accepted with
18 the understanding, of course, that it will be considered
19 fully under GP -- GP Recommendation Number 9.

20 THE CHAIRMAN: Is there any objection to con-
21 sidering the amendment; although not printed, it is on
its way over from the printshop right now?
